THE TORCH 2013

Graduation

*We finally made it
We received an education, now we can go forth to
demonstrate it
We have been liberated
The shackles have been taken off our feet, so now
the world we face it
Go forth with open arms and embrace it
Look at this four years of hard and determination, I
stand here proud in front of every face of every
nation
You are here to witness how every culture has been
set to this destination
At this time in this recreation, as families come
together to rejoice in this celebration
Graduation
From day one of the school year all we wanted to
do was graduate
Yes it's great
But as I contemplate I realize it is the real world we
cannot fabricate
For instance
In high school when you had a paper due you could
drag at rate, but in college and in the work force
there are so many twists and turns you can't drag it
straight
But as we move on our footsteps will slowly fade
Every piece of work that we have done will be
erased
But now it's our dreams we can elaborate
Please pace, concentrate
Because now class of 2013 this is our time to
dominate.*

Class of 2013! I don't think any of us will walk across the stage with complete confidence in what we are about to do, where we are headed, or even how we are going to get there. Inevitably it will involve taking the first step, but beyond that most of us are just an island, people about to leave home and live in close proximity to real-world marvels. No matter how far how we isolate students might stay away, it would be impossible not to remember some of those Red Raider experiences in our hearts. It is what will help us to walk with confidence, to believe in our ability to fulfill our dreams, to develop ourselves to our highest potential, and to encourage following our heart.

This is it! The year that has tested our will power to endure the bad, the year that has angered us, the year that has been worth this rollercoaster ride; we're finally graduating. This is it! No more hearing from the morning announcements, "The choice is yours" from Dr. Santos, no more hearing security guards tell you to go to class. We're growing up whether we want to accept it or not. Yes, the next steps of our lives are going to be unpredictable, but instead of running away from the uncertainty, embrace the uncertainty; embrace the ambiguity of what the future holds.

The time to reflect has arrived. Preserve your memories because they will continue to guide you on the pathway towards achieving your goals. Explore and define success on your own. Do not let your environment constrict you from moving forward and more importantly, believe that you have control over your own destiny. The obstacles you will have to confront should not defeat you, instead, they will be converted into the fuel that motivates you and determines the individual you will become.

RETIREEES

MR. RASCZYK

Mr. Rasczyk was born and raised in the Ironbound. He attended St. Casmir's Grammar School, East Side High School (Class of 1968), Essex County College and Montclair State University. During his career he has taught at Wallington High School, Emerson High School, Essex County College, Union County College, Passaic Evening High School, Orange High School, and East Side. Between teaching assignments Mr. Rasczyk worked at the Prudential Insurance Company for 8 year. He has also coached the following sports and activities: Track at Arthur Johnson Regional HS, Football, Soccer, and Baseball at Orange HS, Fencing at Newark Academy and Columbia HS, Golf at East Side and was the Guitar Club Advisor.

MR. SILVA

It was graduation day and Mom was trying to take a picture of their son in a cap and gown, posed with his father. "Let's try to make this look natural "she said. "Junior, put your arm around your dad's shoulder." The father answered, "If you want it to look natural, why not have him put his hand in my pocket?"

ROSTER OF SUPERIOR MERIT

Michael Cupo

East Side Class of 1976

I was born in the Ironbound section of Newark in 1958. I am of Italian descent, and was one of six children. I graduated from East Side High School in 1976. After high school I mainly worked in my father's restaurant until he sold it in 1986. Although we were a very close and loving family, I seemed to always feel like something was amiss in me. My mother and father afforded me every opportunity to get ahead in life, but I always made the wrong decision. This continued to happen until June of 1987 which is when it seemed like my life went in a completely different direction. I say it seemed like because although my life got better on the material plain, I still did not have any sense of completeness within. In 1988 I started working for PSE&G, and I am still working there. I am married to my soulmate Maureen, and have two wonderful children Alexa and Steven. We purchased a home in 1993 in Clark, NJ and we still live there. Although by society's measurement my life was deemed a success, I still had something in me that didn't allow me to enjoy all that I had. I have since come to understand why this was. My struggles with life were all self-inflicted, mainly because of the missing ingredient of Love in my life; not the Love I was given, but the Love that I give. This is what led me to the writing of my book "It's Monday Only in Your Mind: You Are Not Your Thoughts." When a person has the life they have always wanted and they are not happy, it is time to look within and see why this is. What I have come to understand is nothing new, but it is at such a practical level that anyone who thinks they are not getting the most out of their life will be able to understand it. I have since found the peace that was always missing in my life and I have come to understand that it was always there, I just didn't know it.

CHAMPIONS!

FOOTBALL

This year's focus was on our three seniors Julio Gomez, Nathaniel Jackson, and Daveyon Valentine. The record of 0-8 could not be an indicator of the loyalty and spirit of these young men. Daveyon and Julio played both sides of the ball throughout the season. Always overmatched with talent from other schools, these seniors kept the spirits of the underclassmen up with their humor and dedication. Their leadership will be missed as these young men will set their sights on college football. Daveyon led the team with over 80 tackles and six sacks, and one interception. His all-time high light will be his 65 yard touchdown run during the final game of the season. Julio Gomez led the team with countless blocks and racked up 65 tackles or more. Daveyon was a four year starter here at East Side. We wish them the best!

CROSS COUNTRY

The Cross Country team put together a tremendous season. They won the NPS City Championship for the second year in a row, with team captain Byron Paucar winning the individual title. A special thanks to, captain Tiago Sousa, Jaime Santos, Michael Rivera, and Rogelio Rodriguez for making this a successful season for the Boy's Cross Country team. On the Girl's side, captain Kimberly Martins, Alexandra Ferreira, Success Edima, Jessica Coronel, Diana Lema, Emea Cherry, and Jennifer Elias made the season a success. The Cross Country team continues to improve, and win with spirit and grace.

BOYS' SOCCER

East Side Boys' Soccer finished the season with a 14-7-1 record. Seniors Lucas Almeida, Jason Goncalves, Diogo Ribeiro, Lucas De Oliveira, Jeyshoon Ruiz, Manny De Oliveira, Tobi Jato, Bryan Martins and Shamar Smart led the team to the NJSIAA North Jersey, Section 2 Group 2 Semi-Finals and conquered the 8th NPS Championship. Lucas Almeida and Jason Goncalves made First Team All Super Essex County Conference and Jeyshoon Ruiz and Shamar Smart made Second Team All Super Essex County Conference. A special thanks to Captain Lucas Almeida for his hard work and dedication during the four years of varsity soccer at East Side. Jason Goncalves led the team in goals and assists and was named Newark Player of the year by the Star-Ledger.

GIRLS' SOCCER

The East Side High School Girls' Soccer team ended the season with a very respectable divisional record of 7 wins, 3 losses, and 1 draw, despite missing senior midfielder Catarina Teodosio most of the season, due to injury. Seniors, Maria Silva, Laryssa Barcellos and Stephanie Silva did their part to hold opposition forwards from scoring in defense. Who couldn't be stopped from scoring was forward Surayyah Muhammad. She tied for the Essex County scoring title with a tally of 28 goals. Seniors, Andreia Coragem and Cindy Guerrero also helped the team with their contributions.

Congratulations!

GIRLS' VOLLEYBALL

Daleth Parabyha was the Most Valuable Player for the 2013 season and Captain Andreia Resende was selected by her teammates for the Senior Award. Graduating seniors include Alex Lovese, Gabby Avelar, Isabella Silva, and Rancinny Bonfim. The Lady Raiders finished in 3rd place in the Newark Tournament.

BOYS' VOLLEYBALL

The East Side High School Boy's Volleyball team is looking forward to the 2013 season. They are seeking to establish themselves as a force to contend with, thanks to the senior contributions of Pedro Sales, Dorsey Woods, Rainer Paiva, Bryan Martins, Alex Tacuri, Gustavo Sitorski, Dervain Mattos, Kevin Herrera, and Will Joyce.

GIRLS' BASKETBALL

2012-13 was a most exciting year for Lady Raider Hoops not because of wins and losses but instead player personnel. An influx of sixteen new faces with little or no basketball experience filled the court and sidelines learning a great deal on the fly and fortunately improving dramatically as the season came to a close. Led by their senior Captain Success Edima the Lady Raiders season closed on a win and now they are looking for new leadership and looking forward to the 2013-14 season with great anticipation and the bar set high.

BOYS' BASKETBALL

East Side finished with a 25-7 record and won its first state title since 2002. They won the Group 3 championship with a 60-54 victory over Camden. Senior's William Joyce, Rashan Lynn and Stephen McNair played key rolls throughout the season. This group of young men also won the Newark Holiday Tournament for the 3rd time in the past four years and the 7th overall which gives East Side the most championships in the Holiday Tournament's 27 year history.

ICE HOCKEY

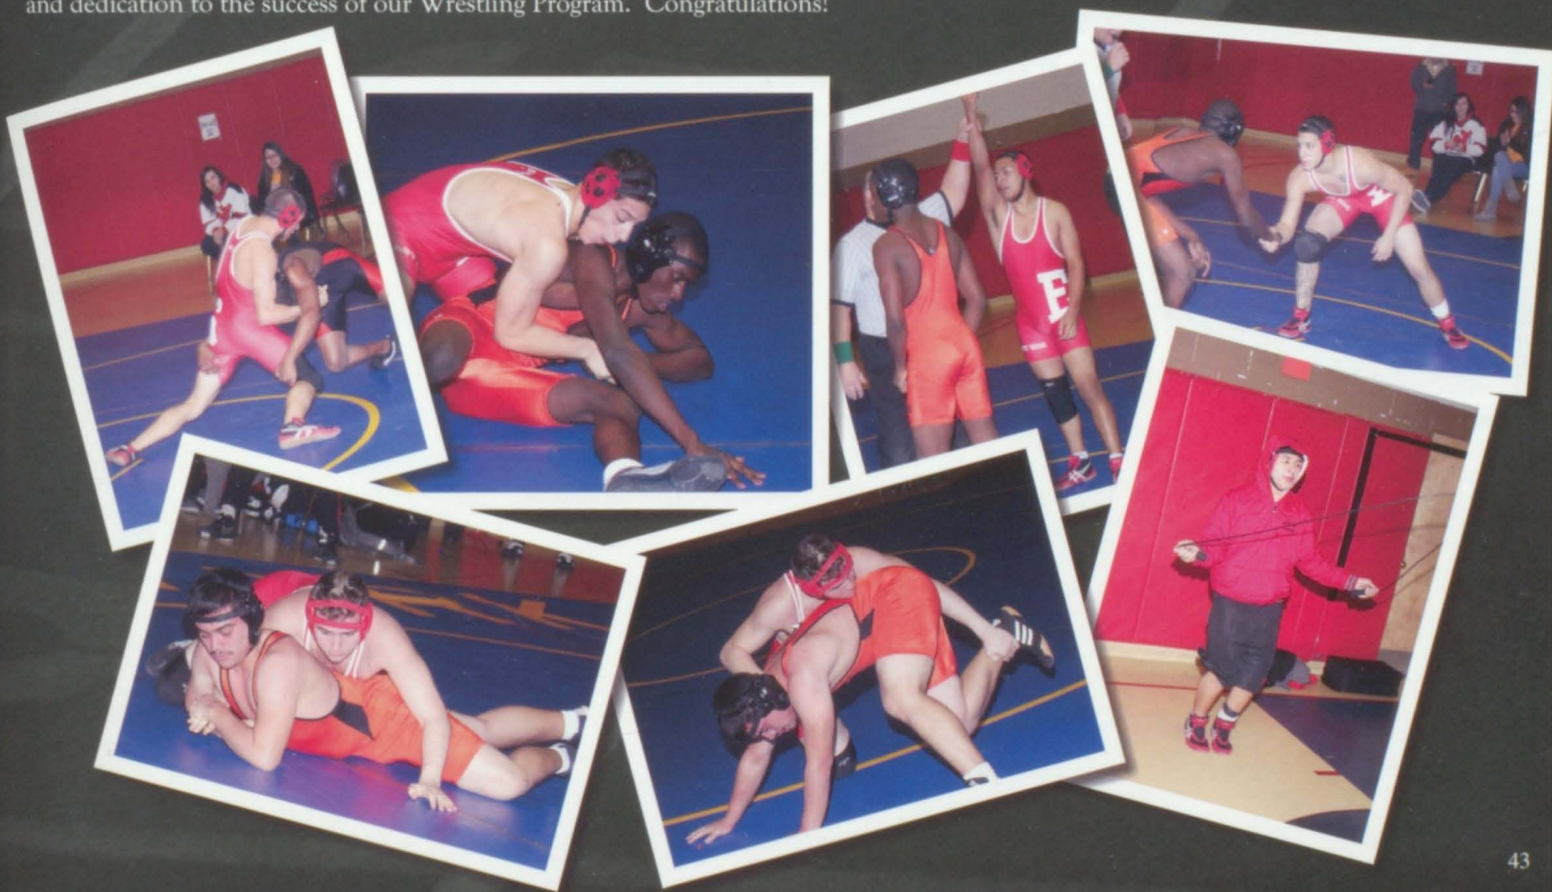

The season started with 5am practices at the Prudential Center in which over 40 players exchanged sleep for the opportunity to put on a varsity jersey. This young team's sacrifice and commitment was evident in the tremendous improvement of their players over the course of the season. The future of the East Side Hockey Team looks bright because it only loses four seniors including hard working forwards Daniel Figuerido and Jaredt Perry, standout defenseman Carlos Campoverde, and Captain Harry Smyre. In addition, first year JV Coach Mike Liu led a talented group of freshman players who are ready to immediately contribute at the varsity level next year. Returning captains, Anthony Dos Santos and Thiago Araki, will lead East Side to state playoff form in the future through discipline, dedication, and hard work displayed in the 2012-13 Hockey Season.

WRESTLING

The East Side Wrestling Team finished the season with an overall record of 9-14 and a Division record of 4-2. The team was led by Senior co-captains Yorrick Morales and Alejandro Dominguez. Their dedication and leadership was crucial to our young team and they set the standard on how things are done in the Room. Other seniors who helped contribute were Christian Andrade (4years) and Robert Yingst. We had two of our wrestlers with over 20 wins on the season, they were senior, Alejandro Dominguez and sophomore, Keven Hernandez. Entering the state tournament we had some success as Alejandro-2nd in Districts and Robert-3rd in Districts advanced to the Regional round before they were eliminated. The blood, sweat and tears that this Senior class left on the mat will be remembered for their sacrifice and dedication to the success of our Wrestling Program. Congratulations!

SWIMMING

The East Side Swim team set new standards this year. The team had its largest presence with 30 plus committed swimmers from 5 different Newark schools. The team surpassed its total season wins from the past few years by being victorious in 3 competitions. It was a team effort that made this season a success. Four-year varsity senior captain, Maria Larrea led the way with her dominant butterfly stroke. Also contributing were 4 year varsity swimmers and seniors Kethly Morocho (breast stroke) and Marta Martins (500 free). First time senior swimmers Luis Marquez, Patrick Lovell and Camila Lobo also helped the team with their contributions. Congratulations!

BOWLING

East Side's Bowling team ended the season in 7th place. The team had 8 seniors who were first year bowlers and they dedicated themselves to being their best every day. We are sad to say goodbye to Roberto Marfil, the captain who lead the team by showing his leadership abilities every day. Congratulations to Roneisha Roberts, a first year bowler, for a 222 game, and William Torres who bowled a 204 game. Seniors Daquanna Bates, Tiera Jones, Ana Fernandes, Crystal Reyes, Roneisha Roberts, Alexis Rodriguez, and Daveyon Valentine help with their contributions to the team.

SOFTBALL

After a tremendous 2012 season the team graduated 6 seniors and are looking to rebuild this year. The girls returning to recapture the back-to-back Conference and City Championships are seniors Jenna Correia, Cindy Guerrero and Amber DiFazio. Also returning are juniors Yesenia Parada and Ines Caetano. The team is looking forward to picking up seniors Liesa Williams, Roneisha Roberts and Dallanara Tavares to help lead the way this season. Good luck this season!

BASEBALL

The East Side High School Red Raider baseball team, with the aid of a strong senior class made up of: Jose Andeliz, Joel Turcios, Randell Medina, Marc Silva, Ricardo Monteiro, Francisco Ramirez, Joel Sanchez, and Edison Rodrigues, and a rising supporting cast, seems poised for a run at the SEC Colonial Division. They are sure to be swinging for the fences at Riverbank Park. Go Red Raiders!!!

GIRLS' TENNIS

The East Side High School Girls' Tennis team ended the season with a record 5 wins and 7 losses. The team welcomed four new varsity starters including senior 1st doubles player Tenzin Choezin. Freshman 1st Singles player Samantha Cabrera was selected for 1st team All SEC conference and Junior Christina Seda was selected for 2nd team. Four year starter Senior Maria Larrea was rewarded for her great play with an Honorable Mention selection.

BOYS' TENNIS

The 2013 East Side High School boys' tennis team looks to continue their rise to the top of the conference this year. Veterans Akhter Hosian and Azhar Uddin lead the charge while second year players Diogo Cuhna, Pablo Chacha, Akber Hosian, Imran Uddin, Munim Islam and Byan Abraham fill out the rest of what is a strong team. Last year's seven wins were the most in recent memory and with hard work the boys look to top that number this year. It will be an exciting year of tennis as the Red Raiders take the challenge of winning their conference head on.

LACROSSE

The 2013 East Side lacrosse team enters its fifth varsity season with great expectations. After a 0-12 season in 2012, the team looks to go only upwards. Seniors Robert Clark, Caio Rentes and Jonathan Ali will be sorely missed. However, the return of strong senior and junior classes and seasoned veterans Felipe Pereira, Patrick Lovell, Dominick Matos, Bobby Yingst, Anthony Lopez, Cristofer Orellana, Christopher Valentin, Cristian Valle and Juan Saavedra should ensure a successful season. Look for the Red Raiders to vanquish more opponents in 2013.

The Golf Team is looking forward to a very successful year with the new alignment in to the Colonial Division of the Super Essex Conference. This year's team is made of returning senior Roberto Marfil, junior Nathaniel Jackson, sophomores Keven Hernandez, Marel Murillo, Destiny Lawrence and freshman Melisa Quinnis.
